Dear Potential Sponsor,

We are participating in the 2nd Annual American Red Cross Derby Day – “Racing to the Rescue” Fund-raiser. All proceeds will go to American Red Cross to provide services and programs to our military Communities. Our team will be building a derby car and our driver is ready to win! You can champion us by donating a minimum entry donation of \$50 to help the American Red Cross. In return, we will add your logo to our car. Our goal is to be the highest sponsored car and be recognized on the “Wall of Fame” and in the “Circle of Champions Award Ceremony”. Please make checks payable to the American Red Cross. All contributions are tax-deductible. We appreciate all donations to reach our sponsorship goal.

Thank you!

**Participants:**

American Red Cross funds directly support the military community through our services and programs. We provide emergency communications between DOD/Military personnel on Okinawa and their families around the world. We also provide Health and Safety classes such as CPR, First Aid, Babysitter’s Training, Healthy Pregnancy/Healthy Baby and Pet First Aid. We are excited to offer a successful volunteer program that provides over 10,000 hours (or \$178,000 in service) to our community. A recent addition to our station is the Disaster Action Team (DAT). The DAT works with the Fire Department during local emergencies to provide immediate assistance to those in need as well as responding during exercises. These services would not be possible without the assistance from the community.

Our mission is to help our community prevent, prepare for and respond to emergencies. In order to fulfill our mission, we need your help. We anticipate Derby Day to be our largest fundraiser of the year and hope to reach our goal of raising \$10,000 with the help of our participants. We hope that each team will offer the opportunity to every person, neighborhood, unit and business to champion a winner. If each team strives to be the top donor, we have the potential to make this the single largest fundraiser in our Station’s history. We are hoping to make this event the best ever; therefore, the more contributions you raise, the more successful we will be at achieving our goal. Thank you very much for your participation!

We hope you enjoy this opportunity to Race to the Rescue! For questions or further information, call the American Red Cross, Kadena Air Base at 634-1979/1294 or email [Kadena@usa.redcross.org](mailto:Kadena@usa.redcross.org)
